Ukrainian - Native

# VITALII POTAPENKO

## SOFTWARE ENGINEER

After more than 8 years in financial analysis that included building dashboards, forecasts, and custom reports with Python scripting, I've decided to focus full time on software engineering. I've successfully completed the coding Bootcamp to structure and formalize my knowledge. And now I'm looking for a web developer position.

## WORK EXPERIENCE

### Sr Financial Analyst

HERE Technologies GmbH, Berlin | Feb 2020 - Jun 2021
